2.1 Class 1 - Class 1 shall consist of creditors holding allowed Administrative Claims for administrative expenses pursuant to 11 U.S.C. §503(b) and shall include all payments due to the United States Trustee. This Class includes, but is not limited to, post-petition expenses of ISC, including unpaid taxes and amounts owed to, WLSPLLC for its services as ISC's counsel in this Chapter 11 case, the claims of Chris Williams, GulfStar Group, II, Ltd., for services as ISC's CRA which are approved by the Bankruptcy Court, and claims of any other professional persons whose retention and fee request(s) have been approved and allowed by the

Bankruptcy Court. In addition, this class includes all payments due by the reorganized debtor to the United States Trustee on account of quarterly fees payable prior to closure of this case.

2.2 Class 2 - Class 2 shall consist of creditors holding Allowed Claims of governmental units incurred pre-petition and entitled to priority under 11 U.S.C. § 507(a)(8).

2.3 Class 3 - Class 3 shall consist of the holders of Allowed Secured Claims, if any, including those of Comerica Bank.

2.4 Class 4 - Class 4 shall consist of the holders of all other Allowed Claims, except Class 5 claims, whether having arisen prior to commencement or as the result of any cancellation, or rejection of any executory contracts.

2.4 Class 5 - Class 5 shall consist of all equity security holders of the Debtor on the Date of Confirmation of this plan.

ARTICLE III

Treatment of Claims and Equity Security Interests Not Impaired Under the Plan

3.1 Class 1 (Section 503(b)(1) Allowed Administrative Claims). Unless a holder agrees to less favorable treatment, the holders of Allowed Administrative Claims shall receive on account of such Claims cash in the full amount of such Claims and expenses in accordance with the ordinary business terms of payment of such Class 1 Claims or, if already beyond the ordinary business terms of any particular Class 1 Claim, then on the Effective Date, upon the Closing Date, or Real Estate Closing Date, of so many of the Liquidity Transactions as are necessary to pay these claims in full. Notwithstanding the foregoing, to the extent that fees have been approved and not paid prior to final fee applications being submitted and approved, professionals employed at the expense of the estate and entities who may be entitled to allowance of fees and expenses from the estate pursuant to Sections 503(b)(2)-(6) of the Bankruptcy Code, shall receive cash in the amount awarded to such professionals and entities by the Order of the Bankruptcy Court no later than, and as soon as practicable after, the latter of the Effective Date or the date on which an Order approving of said fees enters. Holders of Class 1 claims may continue to submit fee statements as per the terms of any pre-confirmation administrative orders governing allowance of fees. Fees provisionally or finally allowed pursuant to any such administrative orders may be paid in due course post confirmation, or out of any closing held under this plan, as and when allowed pursuant to those pre-confirmation orders and the terms of this Plan. Fees sought by Professionals incurred or invoiced shall remain subject to approval of the court according to the terms of said pre-confirmation administrative orders. Orders entered by the court on Motions allowing claims under 11 USC 503(b) shall be treated as final determinations of Class 1 status as to the allowed amount of the 503(b) claims. The Class 1 claims are being treated consistent with 11 U.S.C. §1129(a), and are not impaired under the plan.

3.2 Class 2 (Section 507(a)(8) Allowed Governmental Unit Claims). Unless a holder agrees to less favorable treatment, Allowed Claims of governmental units, shall be paid in full within 30 days of the effective date of the Plan. Until paid in full, holders of Class 2 claims shall be entitled to a continuing lien on the assets of the estate to the same extent as that to which they were entitled prior to the commencement date of this Chapter Proceeding. To the extent that the holder of a Class 2 claim is secured, any conveyance or transfer of assets under this Plan that are encumbered by such a security interest in any Contemplated Liquidity Transaction shall result in payment, out of closing, of the amount of any such secured claim. The Class 2 Claims are being treated consistent with 11 U.S.C. §1129(a), and are not impaired by the Plan.

Treatment of Claims and Equity Security Interests Impaired Under the Plan

3.3 Class 3. (Allowed Secured Claims of Comerica Bank). Unless the holder agrees to a less favorable treatment, the Allowed Secured Claims of Comerica Bank shall be paid indefeasibly in full in cash out of closing on the Contemplated Liquidity Transactions within this Plan, with such indefeasible payment in full being in accordance with the Bank's rights under the Bankruptcy Code, and orders entered by the Court in this Bankruptcy case. The Class 3 Claims are entitled under the Post Petition DIP Loan to payment on or before the effective date of the Plan and, therefore, are impaired by the Plan and entitled to vote on the Plan.

3.4 Class 4 (Unsecured Claims). Unless the holders agree to less favorable treatment, the Class 4 Claims shall be paid a pro-rata share of the remaining proceeds of the Contemplated Liquidity Transaction up to the full allowed amount of each claim. In the event that the Contemplated Liquidity Transaction takes the form of a Sale of the Drywall Division of the corporation, then Payment shall be made on the date of the Final Real Estate Closing Date by payment of net proceeds after retirement of claims held by Classes 1, 2 and 3 directly to the Trustee of the ISCBM Post Confirmation Trust for distribution under the terms of that trust. In the event that the Contemplated Liquidity Transaction takes the form of a Family Reorganization Plan, then payment of any Class 4 Cash Down Payment as called for within the Family Reorganization Plan shall be made in cash at the time of the Final Real Estate Closing Date and issuance of any Unsecured Claim Bonds shall occur simultaneously with the Real Estate Closing Date. Provided, however, that in the case that there are any Disputed Claims which are, or may be, classified under this Class 4, Debtor shall retain in Escrow a sum sufficient to pay the cash portion of any such claim if it is Allowed in full for distribution under the terms of this Plan once the claim is allowed, if at all. The recovery by Class 4 creditors is anticipated to be less than 100% and the holders of Class 4 claims are impaired by the Plan and entitled to vote on the plan.

3.5 Class 5 (Equity). Unless the holders agree to less favorable treatment, and, if the Contemplated Liquidity Transaction is a Family Reorganization Plan, except as provided in any binding Family Reorganization, all shares of stock in Class 5 are to be cancelled under the terms of this plan. In the event that any of the contemplated assets sales hereunder yields a net recovery in excess of all amounts necessary to pay the Allowed amount of all Class 4

claims and above, then all such excess proceeds shall be distributed to Class 5 Equity members. Class 5 is impaired and entitled to vote on the plan.

ARTICLE IV **Means for Executing the Plan**

This Plan will be executed by the creation of a Liquidity Transaction sufficient to fund the payment of Class 1, 2, and 3 claims in full and the partial or full payment of Class 4 and 5 claims in that order. The Liquidity Transactions will be created by selection of a Reorganization Alternative and will proceed according to the Attached Bidding and Sales Procedures – Drywall Division, Family Reorganization Proposal Procedures, and Reorganization Selection Procedures. At the conclusion of these procedures, the Debtor will execute all documents and take all actions necessary to effectuate the intent of the Reorganization Alternative that has been selected by the Unsecured Creditors Committee.

If the Contemplated Liquidity Transaction is a Sale of the Drywall Division, then following closing(s) of the Contemplated Liquidity Transactions, all undistributed proceeds of closing, and all remaining assets of the Reorganized Debtor, if any, shall be transferred and committed to the Trustee of the ISCBM Post Confirmation Trust for administration and distribution according to the terms of the Trust. Upon such final distribution, the Estate of the Debtor shall be deemed fully administered and this Plan fully performed.

If the Contemplated Liquidity Transaction is a Family Reorganization Plan, then payment shall made to Class 4 claim holders of the Class 4 Cash Down Payment and all Unsecured Claim Bonds will be issued at the time of the Final Real Estate Closing. In such an event, then only those funds, Post Confirmation Collection Cases, Chapter Five Causes of Action and other properties committed to administration by the Trustee of the ISCBM Post Confirmation Trust by the terms of the Family Reorganization Plan shall be transferred to the Trustee thereof. If nothing is so transferred, then the Trust shall never come into being and shall be a nullity.

It is contemplated by this Plan that as of the Effective Date of the Plan the LOT B Bidding and Sales Procedures have resulted in an Asset Purchase Agreement, Sales order, and/or closing which have liquidated the value of the Ennis Lumber Division of the corporation. If, for any reason: (A) the Lot “B” Bidding and Sales Procedures Order has not been entered by the court; (B) a Sale Order approving of the Asset Purchase Agreement resulting from those Procedures has not been entered; OR (C) the closing under the Sale Order has not yet occurred, then Confirmation of this Plan shall constitute the Grant and Entry of those orders without further action by the court and the Asset Purchase Agreement for Lot “B” shall be performed by the Debtor and all other interested parties forthwith.

All assets thus sold and assigned under this Plan will be transferred free and clear of all rights, claims, liens, encumbrances and other interests of any claimant from the beginning of time to the moment of sale. The sales are contemplated to be at going concern value and,

accordingly, the Debtor shall continue in possession of the assets as of the Confirmation Date as Reorganized Debtor but subject to all claims, rights, and duties as set forth in this plan including the eventual distribution of all proceeds thereof to holders of Allowed Claims and Interests under this Plan. The Debtor shall continue to operate in accord with the terms of the Pre Confirmation DIP facility as specified in Doc #165 until closing hereunder.

Corporate Governance.

The Sole Director of the Debtor, Allan Burns, shall remain as Director of the Corporation until the case is closed. Brent Burns shall serve as President and Treasurer of the Corporation until the case is closed.

The reorganized debtor shall be responsible for timely payment of United States Trustee quarterly fees incurred pursuant to 28 U.S.C. §1930(a)(6) up to the date of the funding of the ISCBM Post Confirmation Trust. Any fees due as of the date of confirmation of the plan will be paid in full on the effective date of the plan. After confirmation, the reorganized debtor shall pay United States Trustee quarterly fees as they accrue until this case is closed by the Court. The debtor shall file with the Court and serve on the United States Trustee a quarterly financial report for each quarter (or portion thereof) that the case remains open in a format prescribed by the United States Trustee until the Trustee of the ISCBM Post Confirmation Trust takes up that duty as required in the Trust. Fees not paid, or not invoiced to the Debtor, as of the date on which final disbursement is made to the Trustee of the ISCBM Post Confirmation Trust shall be payable only by the Trustee of said Trust.

ARTICLE V **Executory Contracts**

5.1 Executory Contracts and Unexpired Leases. All executory contracts and unexpired leases of real or personal property not specifically by way of written notice previously assumed by ISC shall be deemed rejected as of the Effective Date.

5.2 Rejection Claims. Any Claim arising from the rejection of an executory contract or unexpired lease pursuant to the Plan must be incorporated into a Proof of Claim that is filed within ten (10) days after the Effective Date. Any rejection claims not filed within said period shall be deemed barred. Nothing herein shall extend the deadline to file a Proof of Claim for rejection of any executory contract or unexpired lease occurring on or prior to the Effective Date.

ARTICLE VI **Resolution of Disputed Claims and Collections**

6.1 Filing Objections to Claims. Unless otherwise ordered by the Bankruptcy Court, objections to the allowance of any Claims and Interest shall be filed with the Bankruptcy Court and served upon the holders of such Claims to which objections are made no later than forty five (45) days after the Effective Date.

6.2 Settlement of Claim Objections After Effective Date. After the Effective Date, but before the date of the last closing resulting from the Liquidity Transaction(s) chosen under this plan, ISC, by a 2/3 vote of its Board of Directors, may settle any Claim without notice and hearing and without order of the Bankruptcy Court. If the selected Reorganization Alternative is a Sale of the Drywall Division, after final distribution by the Reorganized Debtor has been made to the Trustee of ISCBM Post Confirmation Trust, settlement and administration of claims shall be made exclusively by the Trustee thereof and Debtor shall be relieved of all duties related thereto.

6.3 Settlement of Post Confirmation Collection Cases. In the event that the Contemplated Liquidity Transaction is a Sale of the Drywall Division, from and after the Effective Date of the Plan and the establishment and transfer of funds and claims to the Trustee of the ISCBM Post Confirmation Trust, the Trustee of that Trust acting in accord with the terms of the Trust Document may settle and compromise any and all litigation over which the Trust has control of the chose in action represented therein without notice to creditors or permission of the court.

6.4 Chapter 5 Causes of Action. All Chapter 5 causes of action, if any, are preserved under this Plan and, in the event that the Reorganization Alternative is not a Family Reorganization Plan transferred to the Trustee of the ISCBM Post Confirmation Trust for administration pursuant to the Terms of the Trust Agreement. In the event that the Reorganization Alternative is a Family Reorganization Plan then said Plan will control disposition of Chapter 5 Causes of Action.

ARTICLE VII

Acceptance or Rejection of the Plan

7.1 Voting Classes. The holders of Claims in Classes 3, 4 and 5 are impaired and shall be entitled to accept or reject the Plan.

7.2 Presumed Acceptance/Rejection of Plan. The holders of Claims in Classes 1, and 2 are unimpaired under the Plan and therefore are conclusively presumed to accept the Plan.

7.3 Impaired Classes to Vote. Except as otherwise required by the Bankruptcy Code or the Bankruptcy Court, each holder of a Claim that is impaired under the Plan is entitled to vote to accept or reject the Plan if, as of the date of voting, its Claim is an Allowed Claim, or the Claim has been temporarily allowed for voting purposes only by order of the Bankruptcy Court pursuant to Bankruptcy Rule 3018(a).

7.4 Acceptance by Class of Holders of Claims. A Class of holders of claims shall have accepted the Plan if the Plan is accepted by at least two-thirds in amount and more

7.5 Cram down. In the event that any impaired Class of Claims is entitled to vote shall fail to accept the Plan in accordance with Section 1129(a) of the Bankruptcy Code, ISC requests that the Bankruptcy Court confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code and ISC reserves the right to modify the Plan to the extent, if any, that confirmation pursuant to Section 1129(b) of the Bankruptcy Code requires or permits such modification. ISC will request that the Bankruptcy Court confirm the Plan pursuant to Section 1129(b) of the Bankruptcy Code as fair and equitable as to any Class which rejects or is deemed to reject the Plan and otherwise meets all standards under 11 USC 1129(b) for confirmation.

ARTICLE VIII **Modification of the Plan**

8.1 The Plan Proponent may modify the Plan at any time before Confirmation, but may not modify the Plan so that the Plan, as modified, fails to meet the requirements of Sections 1122 and 1123 of the Bankruptcy Code.

8.2 The Plan Proponent may modify the Plan any time after Confirmation or before substantial consummation of the Plan, but may not modify the Plan so that the Plan, as modified, fails to meet the requirements of Sections 1122 and 1123 of the Bankruptcy Code. If the Plan is modified under this subsection, it becomes a Plan only if the Bankruptcy Court, after notice and hearing, confirms the Plan, as modified, under Section 1129 of the Bankruptcy Code and circumstances warrant such modification.

ARTICLE IX **Retention and Scope of Jurisdiction**

The Bankruptcy Court shall retain and have exclusive jurisdiction of all matters arising out of and related to, the Chapter 11 case and the Plan pursuant to and for the purposes of, Sections 105(a) and 1142 of the Bankruptcy Code and for, among other things, but not limited to, the following purposes:

Payors of interest, dividends, and certain other reportable payments are generally required to withhold thirty percent (30%) of such payments if the payee fails to furnish such payee's correct taxpayer identification number (social security number or employer identification number), to the payor. The Debtor or Trust may be required to withhold a portion of any payments made to a Holder of an Allowed Claim if the Holder (a) fails to furnish the correct social security number or other taxpayer identification number ("TIN") of such Holder, (b) furnishes an incorrect TIN, (c) has failed to properly report interest or dividends to the IRS in the past, or (d) under certain circumstances, fails to provide a certified statement signed under penalty of perjury, that the TIN provided is the correct number and that such Holder is not subject to backup Withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions.

10.11 State Tax Authorities. In resolution of the objections of the State Law Taxing Authorities, and notwithstanding any other provision of this plan, the secured ad valorem tax claims of these State Law Taxing Authorities shall be paid in full, including interest under 11 USC 506(b) on their pre-petition tax claims, at their statutory rate of 12% per annum. Furthermore, the State Law Taxing Authorities shall retain all liens they currently hold, whether for pre-petition tax years or for the current tax year, on any property of the debtors until they receive payment in full of all taxes, and interest owed to them under the provisions of this Plan, and their lien position shall not be diminished or primed by any Exit Financing approved by the Court in conjunction with the confirmation of this Plan. Ad valorem taxes for the 2011 tax year are to be timely paid in the ordinary course without the necessity of the filing of administrative expense claims or requests for payment, and if not so timely paid, will be subject to state court collection procedures without the necessity of further recourse to the Bankruptcy Court.

10.12 Designation of Initial Trustee by Unsecured Creditors Committee: The Trustee of the ISCBM Post Confirmation Trust, if one is established as provided herein, shall initially be designated by the Official Committee of Unsecured Creditors within 5 days of the date on which a winning bidder for the Drywall Division is announced.
